# NUS BATTLEFRONT

Collect items at various locations in NUS!

Visit various faculties around NUS and forage for various items. Items are faculty exclusive as we hope to encourage users to explore other faculties. Faculties available on our database are Science, Engineering, Law, Business, Computing, Arts, SDE. We have utilised the NUS Living Lab API to help us with getting the user's location.

Fight alongside your schoolmates!

Everyday, a boss will spawn at a random faculty in NUS. Players who are currently at that area are able to land a hit on the boss every 15 minutes. When the boss has been defeated, players who managed to land a hit on the boss gets a boss-exclusive item!
